BYDDWCH YN GYFRIFOL – CADWCH EICH CI AR DENNYN
PEIDIWCH Â GADAEL BAW – GLANHEWCH AR ÔL EICH CI

POLISI CŴN

Mae pobl sy'n mynd â chŵn am dro yn rhai o ymwelwyr pwysicaf Coed Cyrnol; fodd bynnag, gall cŵn achosi problemau i weithrediad llwyddiannus y warchodfa natur.

Drwy gadw eich ci CHI ar dennyn drwy'r amser, rydych CHI'N: atal difrod i blanhigion mewn gwelyau blodau; diogelu'r holl fywyd gwyllt, yn enwedig y safle gwarchodedig ar gyfer gwiwerod coch; ac yn atal risigiau iechyd sy'n deillio o faw cŵn i blant, staff, gwirfoddolwyr a grwpiau sy'n ymweld. Felly, gofynnwn i chi gadw eich ci CHI ar dennyn ym mhob rhan o Goed Cyrnol a'r Promenâd Belgaidd.

Gwnewch yn siŵr bod baw eich chi CHI yn cael ei godi a'i waredu yn y biniau a ddarperir.
HELPWCH NI I DDIOGELU EICH AMGYLCHEDD. DIOLCH

BE RESPONSIBLE – KEEP YOUR DOG ON A LEAD
DON'T BE FOUL – CLEAN UP AFTER YOUR DOG

DOG POLICY

Dog walkers are some of the most important visitors of Coed Cyrnol; however dogs can cause problems for the successful running of the nature reserve.

By keeping YOUR dog on a lead at all times YOU are: preventing damage to plants in flower beds; protecting all wildlife, in particular the protected red squirrel site; preventing health risks from dog excrement to children, staff, volunteers and visiting groups. Therefore, we ask that YOUR dog is kept on a lead in all parts of Coed Cyrnol and the Belgian Promenade.

Make sure YOUR dog's mess is picked up and disposed of in the bins provided.
HELP US PROTECT YOUR ENVIRNMENT. THANK YOU
